19:21:18 From Ginger Horton : Oh yes ma'am, Sharalynne. I have such a literary crush on Nick Hornby.

19:21:19 From MrsD from PNW : Suddenly I understand why Mrs Bates always read Jane's letters to the entire town basically in Jane Austen's Emma!!

19:21:28 From Becki Chambers To All Panelists : The sharing of letters is central to Emma.

19:21:33 From Wyndi Labrecque To All Panelists : I feel like the world is a sadder place without letters. E-mails/tweets/texts are not the same ...

19:21:35 From Jacqueline A : MrsD I was thinking the exact same thing!

19:21:51 From MaryBeth : what was the name of the journal again?

19:21:54 From Kialynne : The thing about Mrs Bates though is that she couldn't get anyone to gather, so she'd have to carry the letters about town hoping to get someone to listen haha

19:21:55 From Wyndi Labrecque To All Panelists : @MrsD I just watched BBC Emma yesterday and was thinking the same thing!

19:22:01 From Ginger Horton : Don't forget to change your chat To: All

Panelists AND Attendees. And if you have questions for Deanna, put those in the Q & A feature.

19:22:20 From Karen : Poor Mrs. Bates....

19:22:59 From Wyndi Labrecque To All Panelists : I do that too ... interactive reading.

19:23:11 From Ginger Horton : I love my ereader, but research is SO much easier in print books. Flipping back and forth and notes and such.

19:23:50 From Kelsi Messer : Stoker = all the heart eyes.

19:23:51 From Kayla Stierwalt : yes Ginger. So true.

19:24:00 From Debra B : Agree, Kelsi

19:24:21 From terihyrkas : Carl Akeley

19:24:23 From MrsD from PNW : I love my reader, but I also love my paperbacks too. I love all books. But theres something about holding a good paperback.

19:24:29 From MrsD from PNW : *ereader

19:24:33 From Priscilla : Oh yes!

19:24:53 From Priscilla : Wasn't that in A Spear of Summer Grass novella?

19:25:00 From Ginger Horton : That's such a great name too... wouldn't you have to be an Indian jones type if your name was Roy Chapman Andrews??

19:25:07 From Kim Pins : I agree, holding the book is my favorite.

19:25:14 From Jenn & Gareth : I think so too, Ginger! Such a good name!

19:25:25 From Sarah Robinson Schwartz To All Panelists : I definitely prefer paper books but love my ereader for travel. Now it has become essential!!

19:25:58 From Priscilla : I read it for the Vaginal Fantasy book club. It was great!!

19:26:22 From Susan Chapman : Should we start with the first book? Do you have to go in order?

19:26:40 From Sierra Baptist Host : Yes, Susan go in orde

19:26:40 From Celeste : I would recommend reading in order

19:26:42 From Debra B : Yes, it makes senses to go in order or you won't get the realltionship

19:26:43 From Sierra Baptist Host : *order

19:26:43 From Kelsi Messer : Yes, read in order

19:26:59 From Becky : I would recommend going in order for the relationship building.

19:27:03 From Ginger Horton : I agree. You'll get so much good character development in order, Susan.

19:27:06 From Kari Sweeney : palpable tension. Rrrraarr!
19:27:09 From Susan Chapman : Thank you, friends!
19:27:17 From Kelsi Messer : If you haven't read this series yet, know that Deanna is the master at slow burn. And be prepared for a lot of tension and OMG JUST KISS ALREADY.
19:27:28 From MrsD from PNW : Definitely read in order. You won't understand who Veronica is otherwise.
19:27:28 From Ginger Horton : In the best possible way, not character development in the boring way, character DEVELOPMENT. :)
19:27:35 From Cyndi : The first has been on my TBR for a long time so I finally moved it to my read-soon list!
19:27:37 From Debra B : Easy and quick reads though. These days, if you have time, you could get through all in a weekend
19:27:50 From Michele Fenton : Loved the first book
19:28:03 From Charlsa Hamner : Yes, read in order or you won't understand them individually or their relationship as easily.
19:28:09 From Shannan : Very slow burn! But I liked it.
19:28:10 From staceyscherer : I am totally a start at the beginning reader so yes, I just ordered all of them :-)
19:28:10 From kimmed To All Panelists : Almost finished with the first one!
19:28:21 From Priscilla : Yes this is definitely the way with the Lady Julia Grey series.
19:28:27 From Debra B : Yea, Stacey!
19:28:35 From Roxanne : First Book?
19:28:37 From Wyndi Labrecque To All Panelists : @Cyndi First, Nice spelling! And Me too on the TBR
19:28:41 From Kari Sweeney : A Curious Beginning
19:28:45 From Jess To All Panelists : I so appreciate that as a reader!
19:28:50 From Kelsi Messer : At the beginning of each books she is great at loosely summarizing what occurred with hilarious footnotes too. It always makes me smile!
19:28:56 From Kala : I do appreciate the way she recaps. enough detail but not too much!!
19:28:58 From Debra B : Priscilla, have you done both Veronica and Julia? Curious if liked both same
19:29:08 From Ginger Horton : Whoo hoo, Stacey - you're in for some fun.
19:29:09 From Jenn & Gareth : Deanna's passion for her writing is SO exciting to hear as a reader.
19:29:21 From Debra B : Enjoy Tiberius
19:29:22 From Sierra Baptist Host : Tiberius is great!!
19:29:23 From Priscilla : Not all the Veronica books but yeah I love both!
19:29:25 From Kala : I have read both series. I love Julia Grey too, especially book 3! I haven't made it to book 4, I am trying to ration them.
19:29:40 From Kelsi Messer : Tiberius!!
19:29:43 From Becky : never read the Julia grey.... will have to add

to my tbr

19:29:46 From Kala : If it weren't for Stoker, I would have a crush on Tiberius too!

19:29:53 From Debra B : I have read first two Julia but didn't enjoy those as much as Veronica

19:29:54 From Katherine Hardee : Tiberius is growing on me too

19:29:57 From Jacqueline A : I love both series equally!

19:29:57 From Sierra Baptist Host : would love to see more of his other brothers, too

19:30:04 From JENNY L WOMACK : Tiberius is wonderful but he's no Stoker (sigh)

19:30:14 From Roxanne : So there are two series?

19:30:15 From Linda : I adore Lady Julia so much! Her family is fabulous.

19:30:19 From Debra B : Love the Stoker fan club

19:30:25 From Priscilla : Roanne, she has 2 series but they are not linked.

19:30:28 From Debra B : Who would play him in a movie?

19:30:43 From Priscilla : Although both set in Victorian era

19:30:47 From Roxanne : Thank You

19:30:50 From Susan Chapman : Love Daphne DuMaurier. If she inspired you, I will definitely read your books!

19:30:57 From Kelsi Messer : ohh who would play Stoker in a movie? that's so good.

19:31:01 From Charlsa Hamner : I haven't read Julie Grey, but I think it's probably a great series to jump into given my current reading mood.

19:31:01 From Priscilla : Hahahaha we readers remember EVERYTHING!

19:31:10 From Donna Hetchler : That sounds like something I would do :)

19:31:12 From Kelsi Messer : A big and surly actor

19:31:13 From Kelsi Messer : haha

19:31:25 From Karen : Chris Hemsworth?

19:31:37 From Ginger Horton : Don't forget to change your chat To: All Panelists AND Attendees. If you have a question for Deanna, put that in the Q & A feature.

19:31:41 From Priscilla : My dog is on my table lol

19:31:46 From Jenny Keener : Hi Daisy!!

19:31:46 From JENNY L WOMACK : Hi Daisy!

19:31:47 From Katherine Hardee : Hi Daisy!

19:31:49 From Ginger Horton : We LOVE Daisy. She's famous around here.

19:31:50 From terihyrkas : HI Daisy!

19:31:52 From Joanne : Daisy

19:31:53 From Kelsi Messer : Ginger, can we ask who she envisions as Stoker?

19:31:56 From Kelsi Messer : haha

19:31:58 From sarah : hi Daisy..

19:32:10 From Debra B : Put in Q&A, Kelsi

19:32:15 From Charlsa Hamner : We love Daisy.

19:32:18 From MrsD from PNW : "I don't judge.." "oh I do, don't lick

my jeans!"

19:32:27 From Charlsa Hamner : Great question, Kelsi, who does she envision as Stoker?

19:33:03 From Ginger Horton : That's a good one, Kelsi - Anne is handing the Q & A, so pitch that one in the Q & A feature. That goes for all! If you have a question for Deanna, put that in the Q & A... I'm keeping my eyes in the chat and Anne is on the Q & As.

19:33:10 From MaryBeth : @Kelsi I am intrigued by your description of the footnotes - think I am going to have to read this series!

19:33:13 From Kelsi Messer : Just did it. I've never used Q&A

19:33:15 From Pauline Belfiore : I love her energy!

19:33:24 From Kelsi Messer : That is a fun zoom function!

19:33:31 From Debra B : Is there footnotes in print? Don't get those on ebook.

19:33:44 From Ginger Horton : Right, Paulie!? Have you watched her talk in the Book Club? I know you're over there, so don't miss it because she's fantastic.

19:33:45 From Chris : I'm glad you are writing for yourself and we appreciate your gift.

19:33:59 From Jenn & Gareth : YES! The best writing is when you write to please yourself, not to reach the expectations of others.

19:34:20 From sarah : I don't get the Tiberius love.. all Stoker (sigh)

19:34:27 From Kala : I didn't even know the Q&A existed until this minute!

19:34:34 From Kari Sweeney : I am crushing all over this author chat. CRUSHING

19:34:53 From Becky : oooo Jason Momoa.... hmmm

19:34:54 From Tiffany McNeal To All Panelists : I love that she doesn't spoil it for the reader

19:34:55 From MaryBeth : Every one of these sessions has been better than the last!

19:34:57 From Priscilla : hahahhaha

19:35:02 From Kelsi Messer : Debra, in the first chapter or so of each book she recaps a little bit of the past books and will vaguely mention the books with an asterisk. It usually is a footnote to whatever book. it's so fun!

19:35:11 From Karen : I can see Jason Momoa....

19:35:12 From Jenny Keener : Cocktail book club hour!

19:35:13 From sarah : so what Rome is winner drinking?

19:35:16 From Kelsi Messer : Well, I tried guys, but I 100% respect that answer!

19:35:16 From Priscilla : BEST ANSWER lol

19:35:18 From Ginger Horton : Right, Kari?? Is she the funnest?? (I know that's not grammatically correct, but.)

19:35:20 From Debra B : Oh, yes, I do see that Kelsi

19:35:39 From Debra B : Jenny, isn't THIS cocktail hour book club?

19:35:41 From Tiffany McNeal : @karen yess! love Jason Momoa

19:35:54 From Ginger Horton : Thanks for trying, Kelsi!! :) I love when an author doesn't answer a question but gives a REASON why... just

as interesting as knowing what Stoker looks like in her head!

19:36:01 From MrsD from PNW : Jason Momoa!! Thats perfect. I always pictured Indiana Jones. LOL

19:36:01 From Becky : I find Tiberius entertaining but only as he bounces off stoker – don't know that i'd want more of him alone

19:36:16 From Kelsi Messer : Jason Momoa is from my hometown/current home. He came to the school my husband taught at, and my hubs didn't even text me about it...

19:36:20 From Sierra Baptist Host : I agree, Becky

19:37:06 From Tiffany McNeal To All Panelists : @kelsi that is your sleeping on the couch material! haha

19:37:24 From Ginger Horton : And psst... hint, hint ... we'll probably talk about ebooks at the end, because Anne's book is also on a fantastic deal right now, but the first Julia book is on ebook deals today: <https://modernmrsdarcy.com/great-ebook-deals/>. What good timing!

19:37:25 From Wyndi Labrecque To All Panelists : BRISBANE ... beating heart ...

19:37:33 From Ginger Horton : modernmrsdarcy.com/great-ebook-deals/

19:37:49 From Cyndi : What's better to start with – Veronica or Julia?

19:38:03 From Becky : both

19:38:05 From Shannan : Both

19:38:17 From Debra B : Either works. Same but different

19:38:19 From Ginger Horton : Haha, Cyndi – ask readers this. :)

19:38:24 From JENNY L WOMACK : I think I would start with Julia, but it really doesn't matter

19:38:32 From Megan Clark-Dillingham To All Panelists : Started with Veronica, it's snappier and quicker to get through, but so fun – Julia plods along a bit slower.

19:38:36 From Kari Sweeney : haahaha! (It's not)

19:39:04 From Kala : either!! I love them both!

19:39:56 From Priscilla : That's so interesting!

19:40:04 From Becky : some great ebook deals – 2 great non-fiction and curious beginning

19:40:11 From Wyndi Labrecque To All Panelists : I thought that room was small. I like cozy spaces

19:40:43 From Priscilla : Teachers and librarians are getting all the loooove! <3

19:40:51 From Debra B : So there you go, Cyndi. Start with Veronica because she is on sale?

19:40:59 From Erika Dusen : 10 pages in 60-90 mins? So jealous!

19:41:04 From Wyndi Labrecque To All Panelists : So fascinating ... the process

19:41:24 From Debra B : Priscilla, I think everyone is finally realizing the momentous job they do.

19:41:27 From Francine : I started with Veronica simply because I discovered her first, then when I was caught up and waiting for the next book in use series I looked for other books by her and found Lady Julia, and read that whole series before the next Veronica book was

released

19:41:28 From Pauline Belfiore : It took me 30 seconds to write this post and hit enter.

19:41:36 From Priscilla : Yes Debra, especially in these times.

19:41:37 From Megan Clark-Dillingham To All Panelists : The Veronica books also are EXCELLENT on audio! Highly recommend them, terrific listening.

19:41:47 From David Kashangaki : Hearing these authors talk about their writing processes has been an eye-opener to me. I have never really thought about how books I read come about. So amazing!

19:41:54 From Roxanne : thanks Francine

19:42:08 From Ginger Horton : If you have questions, put those in the Q & A feature, and don't forget to change your chat To: All Panelists AND Attendees.

19:42:08 From Debra B : Agree, David!

19:42:14 From Priscilla : We're all human haha
