12:21:55 From Nancy : I don't know Jolenta personally but I feel like
I know Jolenta personally and I think she'd be totally fine being
compared to Fran Drescher?
12:21:56 From Ginger Horton : You can find the Q & A usually at the
bottom or the side of your Zoom screen.
12:22:04 From Denise Gordon : Yes melanie...I usually do the shopping
but Fridays he likes to run in and pick a few things out, so I gave
him our short list. He wore his mask and got a true taste of what it's
like to do a big shop. I feel blessed though bc it is super stressful
and I use self checkout. Think I'm handing over the reigns from now on
lol. Bc I still had to wipe and put it all away and freeze meat etc.
12:22:04 From Rachel : JOLENTA FOR PRESIDENT!
12:22:11 From Sarah Hembree To All Panelists : Yaaaaasss!
12:22:11 From Christen Kramer : JOLENTA FOR PRESIDENT

12:23:30 From MM : I don't know whether to get the book or the
audiobook!!! or maybe I should just get both?!?!
12:23:38 From melaniepowers : Sallie, right? I love that Frank is just
hanging out quietly.
12:23:44 From Melissa Wentzel : What a great question!
12:23:58 From meadows : That's amazing—I would not be able to resist
peeking at the other's part of the google doc
12:23:59 From Mildred Locke : That is GENIUS!
12:24:00 From Sallie Greenberg : melanie powers – Frank best dawg
evah!
12:24:18 From Shawn Hayden To All Panelists : That is so
interesting! So authentic!
12:24:19 From Ginger Horton : How could you decide?? Well, let us know
what you do, MM. :) Audiobook link from Libro (Libro helps independent

book stores, and they could really use our help these days): <https://libro.fm/audiobooks/9780062957252-how-to-be-fine/?cmp=mmd18>

12:24:27 From Susan in TX : No way could I resist peeking...I was that kid who peeked at Christmas presents (shame on me)

12:24:29 From Sarah Ann To All Panelists : Oh interesting! I wouldn't expect that how you compose the podcast would translate to the book.

12:24:30 From Laurie To All Panelists : I love getting a peek behind the curtain!

12:24:33 From Ginger Horton : And the same goes for Bookshop: <https://bookshop.org/a/1047/9780062957191>

12:24:34 From Lydia : I would absolutely be snooping on the other person's part of the Google Doc the whole time.

12:24:57 From Debra To All Panelists : Agree

12:25:22 From Jessica Baumann : This is a fascinating look behind how it comes together!

12:25:40 From Ginger Horton : Bookshop helps Indies as well, but if you want to buy from a specific indie, I'm sure any would love your support right now, but if you don't have one you're partial to, here are Kristen's: Greenlight Bookstore <https://www.greenlightbookstore.com> and Jolenta's: Park Slope Community Bookstore <https://www.communitybookstore.net>

12:25:43 From meadows : This is why I think the work you two do is really "intellectual"—plus your analysis of how it relates to our current circumstances is always super interesting way of understanding history/culture/social context

12:25:46 From Marie : so the book was written like a rp lol... everyone does their own part and bounce off each other

12:25:47 From Chelle : I love that!
