

19:02:52 From Ginger : Make sure you change your chat To: All Panelists AND Attendees.

19:02:53 From debracbenton : Yes, we are all trendy now.

19:02:57 From Carolyn Marsh : Audio of this book was fantastic! I've never laughed out loud soooo many times!!!

19:03:05 From debracbenton : Love that picture behind Abby. I love trees.

19:03:21 From mwilson : Grey Hair rocks

19:03:24 From El : I'm picking up Happily Ever After from the library tomorrow! (libraries are re-opening in Australia)

19:03:30 From debracbenton : I listened to the audio right after listening to Friend Zone. They were good but like Playlist better

19:03:36 From Janelle Carlson : I was noticing the tree picture also. It's gorgeous!

19:03:42 From Roxanne : I loved the book!!!

19:03:45 From Carolyn Marsh : I'm out of order...listening to The Friend Zone now!

19:03:50 From readerreet@aol.com To All Panelists : thanks for doing this again. so excited!

19:03:53 From Mrs. Karen : LOL

19:03:58 From Chelle : LOL!

19:04:26 From Leigh -MMD Team : Nadia Cakes makes the BEST cupcakes!

19:04:34 From Ginger : <https://www.nadiacakes.com>

19:04:37 From Lacy Reynolds : I have Friend Zone and Happily Ever After Playlist in both my libro cart AND my bookshop and I can't decide which to push buy on... the covers are so pretty and I love pretty covers!

19:04:38 From Ginger : They ship!

19:04:52 From Denise Meagles : Both books are fantastic on audio.

19:05:06 From Janelle Carlson : I think we need to order some for our next reading retreat!

19:05:09 From Jennifer Odom : Lacy, read Friend Zone first.

19:05:31 From Beth : Just finished Happy Ever After Playlist. It was even better than The Friend Zone!

19:05:33 From Lacy Reynolds : That's the plan Jennifer! Its been on my list for a while... time to go for it!

19:05:35 From debracbenton : Good idea Janelle. We can all order and eat them at home, together.

19:06:11 From Janelle Carlson : Exactly Debra!

19:06:26 From debracbenton : New spot, Ginger. Are you home or have you moved?

19:06:43 From Lori : I was in house 72 days without going out for any essential business! After quarantine lifted in California, June 1st was my first day out of house.

19:07:05 From debracbenton : Wow, Lori. That is impressive. How did it feel?

19:07:06 From Ginger : New spot! We're hotel living it up for a few weeks between the move. I'm thankful, but I miss my books!

19:07:23 From debracbenton : Oh, wow. I bet! Where are you moving to?

19:08:08 From Ginger : Ok... I almost feel guilty telling you. Navy is

moving us to... Hawaii. I will be SO sad to leave Virginia, but if you have to go. :) Thanks for asking.

19:08:13 From Lori : I felt empowered thqt I DID DO THAT and can tackle any adversity.

19:08:19 From debracbenton : Interesting that she wrote this first.

19:08:26 From joanne macdonald : I can't wait--the library has my copy to pick up tomorrow!

19:08:30 From Ginger : Who knew?? This is why we love author talks!

19:08:44 From Carolyn Marsh : I didn't know that either!

19:08:47 From debracbenton : Oh, exciting. That is awesome, Ginger. Now, we will all want to come visit.

19:08:50 From Carole Cornell : Ginger - Hawaii??? How wonderful!

19:08:54 From Debra LaTerza : @Ginger, you sold your house? Good for you! Have you bought one in Hawaii? Or do you not have to do that because of the Navy?

19:08:59 From Lacy Reynolds : Oh wow, I didn't know you were a Navy Family! USAF family here <3

19:09:28 From Lauren : Congrats Ginger!

19:09:45 From Ginger : All the other details remain to be seen in this Unprecedented Time. :) Ironic use of unprecedented, of course. But there's really no other word. Y'all are kind to notice.

19:10:06 From El : Sorry for the silly question but is there any music in the audiobook version that I'd missing out on if I read it on paper?

19:10:16 From Keshet Starr To All Panelists : So exciting, Ginger! I grew up in Hawaii and it's beautiful!

19:10:20 From Carolyn Marsh : We miss your book shelves too Ginger!!

19:10:22 From Debra LaTerza : Love Tucker!

19:10:23 From debracbenton : No music on this one

19:10:26 From Ginger : That's a great question, El - will you ask that in the Q & A so we make sure Anne sees that.

19:10:38 From El : @Ginger sure :)

19:10:40 From Ginger : Oh, thanks for chiming in with that, Debra!

19:10:43 From Ginger : Readers are the best.

19:10:59 From Denise To All Panelists : Nope El I finished the audio two days ago. I was hoping to hear the playlist.

19:11:03 From Denise Meagles : The Friend Zone definitely sets the stage for Sloan's grief.

19:11:20 From Ginger : Don't forget to change your chat To: All Panelists and Attendees.

19:11:41 From Denise To All Panelists : Because I listened, I need to find the playlist in print.

19:12:06 From debracbenton : Love how that came to her and started this book. Fun!

19:12:12 From debracbenton : It was a great meet cute.

19:12:26 From Lindsey : Tucker was one of my favorite characters in that book! I want my own Tucker. :)

19:12:54 From Carolyn Marsh : Ditto @Lindsey on Tucker!!!

19:13:04 From Roxanne : Is The Friend Zone after the Pllaylist?

19:13:16 From Leigh -MMD Team : The Friend Zone is first.

19:13:25 From debracbenton : No, Friend is first book and sets up the reason behind Playlist

19:13:36 From debracbenton : You can read it alone though

19:13:59 From Roxanne : thank you

19:14:02 From Leigh -MMD Team : Abby does give good banter!

19:14:06 From Jennifer Odom : Friend Zone is first. I accidentally spoiled myself on the second half of the book last summer by reading the plot summary of Playlist in the midst of reading

19:15:21 From debracbenton : the banter is very true life. I loved it as I am just as sarcastic and flip.

19:16:40 From Carolyn Marsh : Dang...I didn't know that!!!! :(

19:17:27 From Ginger : I love a good Easter egg!

19:17:30 From Lacy Reynolds : Yay! Easter eggs! Its official... Just ordered the print copies!

19:17:36 From Carolyn Marsh : Ohhhh...

19:17:41 From julie To All Panelists : i agree- we be been recommending in order. I talked a friend into both and she loved them.

19:18:11 From Ginger : Here's a link to Bookshop.org: you can order from there and support Indies: <https://bookshop.org/a/1047/9781538715642>

19:18:27 From Ginger : Or order from Abby's favorite indie: [https://www.magersandquinn.com/product\\_info?products\\_id=4912217](https://www.magersandquinn.com/product_info?products_id=4912217)

19:18:39 From debracbenton : While it does give back story, I really didn't feel like Sloan is really shown that much in FZ. It just sets up the why she is in grief. I also thought the relationship she has in FZ was so different than the new one in Playlist that it seemed like a different person.

19:19:10 From Mrs. Karen : There's such a long wait list at my library for both of her books..... :( It's going to be awhile before I get to read them.

19:19:20 From debracbenton : Anyone catch any of the Easter eggs. I am afraid that I don't pay close enough attention.

19:19:30 From debracbenton : Karen, is audio as long of a wait?

19:19:48 From Mrs. Karen : @debra - yes.

19:19:56 From Jennifer Odom : The friend relationship is consistent in both books. I liked reading Kristen but I think she would drive me crazy in real life.

19:19:56 From Carolyn Marsh : I've noticed that audio on Libby tends to come in early even when it says long wait. Just FYI

19:20:38 From Roxanne : So is Sloan in the Friend Zoe or is it more about Kristen

19:20:40 From Nicole : A third book! Yay!

19:20:49 From Leigh -MMD Team : The Friend Zone is Kristen's story.

19:21:16 From debracbenton : FZ is about Kristen but Sloan is her BFF

19:21:25 From Carolyn Marsh : Yay...another book!!!

19:21:36 From Roxanne : Oh, thanks!

19:21:38 From debracbenton : I don't remember Vanessa, should I?

19:22:00 From Denise Meagles : @Mrs. Karen- send me your email address to [dameagles@aol.com](mailto:dameagles@aol.com) and I will send you the link for a free copy to

the Friend Zone.

19:22:38 From Carolyn Marsh : OMG...can we get on the ARC list????!!  
LOL..

19:22:58 From Deb Veronica To All Panelists : yes!

19:23:42 From debracbenton : Did she say the name of the new book?

19:23:56 From Michelle N To All Panelists : Life's Too Short

19:24:00 From Gribler To All Panelists : Lifes too short

19:24:03 From debracbenton : She writes men that fall deeply and put  
the strong woman first.

19:24:05 From sheila To All Panelists : think she did

19:24:06 From Leigh -MMD Team : Life's Too Short is the name of book  
3.

19:24:13 From debracbenton : Thanks, Leigh.

19:24:25 From Ginger : Don't forget to change your chat To: All  
Panelists And Attendees.

19:24:36 From Ginger : And if you have a Q for Abby, put that in the  
QA!

19:24:37 From Beth : @Debra I don't think Vanessa was in the book,  
just Adrian, the attempted set up guy.

19:25:01 From debracbenton : Oh, I missed her saying that. Thanks!

19:25:22 From debracbenton : Adrian was Kristen's husband's cousin?

19:25:37 From Carolyn Marsh : Yes...I think so... @debracbenton

19:25:42 From Leigh -MMD Team : Yep! Adrian is Josh's cousin.

19:25:46 From Beth : I think so

19:26:40 From Mark Whitaker : Was that just a spoiler?

19:26:46 From Carolyn Marsh : I did not realize that as I listened to  
the audio!!!

19:26:54 From debracbenton : There is a spotify list if you want to  
find it was read along.

19:27:13 From Carolyn Marsh : I totally missed that! LOL...ugh...

19:27:16 From debracbenton : It would have been cool if the song was  
part of audio, but I guess that would have been expensive!

19:27:23 From Kitty Balay To All Panelists : I figured out the  
Spotify playlist when I was near the book. It was fun.

19:27:55 From Roxanne : Darn...didn't think of listening to the song

19:28:11 From Beth : Thanks re: the spotify list. I'll have to check  
it out!

19:28:29 From Jennifer Odom : I read the book with YouTube open so I  
could listen

19:28:52 From Ginger : I love books that are interactive experiences,  
Jennifer. Playlists, Google maps...

19:29:08 From debracbenton : It is fun. Which book did Google maps??

19:29:46 From Debra LaTerza : I need Jason! Just kidding. Don't tell  
my partner I said that!!

19:29:47 From Ginger : Well, anything that takes place in Paris, for  
one. :) But more recently, This Tender Land, I kept googling Gilead  
River.

19:30:10 From Mrs. Karen : @dameagles - Just send you an email. :)

19:30:29 From Roxanne : Absolutely charming

19:30:43 From Ginger : LOL

19:31:10 From Ginger : [https://www.magersandquinn.com/product\\_info?products\\_id=95353968](https://www.magersandquinn.com/product_info?products_id=95353968)

19:31:13 From Chelle : oh hello sweet pup

19:31:16 From Denise Meagles : Sooo cool to see the real dog!

19:31:35 From Denise Meagles : I love the sayings on the dog t-shirts.

19:31:41 From Jennifer Erickson : I am not a dog lover and your books have converted me!

19:31:45 From Carolyn Marsh : I LOVED how the dog started off the story in The Playlist

19:31:49 From Ginger : I did not know I needed to read about a curmudgeonly dog until just now but I do!

19:31:51 From Roxanne : Dogs are the best!

19:32:17 From Kari Sweeney : He's a Duluth dog

19:32:42 From Gina To All Panelists : Dogs are where it's at. I have a hunting dog - wire haired pouting Griffon

19:32:58 From Debra LaTerza : Dogs rule. My Golden Retriever is 11.

19:33:12 From Carolyn Marsh : I laughed so hard when that happened!!!!

19:33:16 From Roxanne : You did it. The sunroof. So hysterical

19:33:23 From Gina To All Panelists : I also have a schnoodle.

19:33:24 From Bethany Planton, GPC : Dog Mom here. 10 year old, rescue black lab

19:33:37 From sarah williams : Duck Tolling Retriever - my dream dog - but I will adopt instead.

19:33:44 From Gina To All Panelists : both my fur boys are 1 year

19:33:45 From Cheryl Denby To All Panelists : I once had a Toller - they are the best!

19:34:02 From Ginger : Don't forget to change your chat To: All Panelists & Attendees and if you have a question for Abby, put that in Q & A any time.

19:34:15 From Kari Sweeney : I love a good cliché.

19:34:35 From Cheryl Denby : I once had a Toller - they are the best!

19:34:37 From Denise Meagles : Cliché is real life.

19:35:11 From jennyflorence : I'm all about a good cliche.

19:35:13 From Janelle Carlson : Yes, cliches work because they're truth

19:35:14 From Kari Sweeney : I don't want them every page- but they can help propel the story.

19:35:22 From Carolyn Marsh : I agree @Kari

19:35:47 From Carolyn Marsh : Cliches are relatable

19:36:07 From Shawntaye Hopkins : Just got here. Better late than never. :-)

19:36:22 From Carolyn Marsh : Hey @Shawntaye!

19:36:26 From Bethany Planton, GPC : Hi Shawntaye!

19:36:38 From Shawntaye Hopkins : Hi, everyone.

19:36:42 From Chelle : That's why you need a good editor, use your authentic voice

19:36:43 From Laura Miller : Shawntaye! good to have you :D

19:37:05 From Diana Bolstad : <https://open.spotify.com/playlist/1tsC0rNPk4Q4lymo4ek83S?si=hvBVDt2FQ2SaCPjf60ogaA>

19:37:22 From Diana Bolstad : is this the playlist mentioned? I'm

trying to find it

19:37:37 From Jennifer Odom : If you like funny but deep romance, try Kristan Higgins. She's been writing for a long time and has a deep back list (also pretty closed door)

19:37:53 From Shawntaye Hopkins : Love a rom-com.

19:37:53 From Leigh -MMD Team : That conversation with Julie Buxbaum about romantic comedy inspired this post: <https://modernmrsdarcy.com/reinvent-romantic-comedy/>

19:38:12 From Debra LaTerza : @Diana, yes, that's it

19:38:13 From Carolyn Marsh : I am reading all the ROMCOM right now!!!

19:38:14 From Lynda : are her books closed door or?

19:38:27 From Leigh -MMD Team : Abby's books are open door, Lynda.

19:38:48 From Laura Miller : I read The Flatshare recently and it was surprisingly deep and meaningful while still being hilarious!

19:38:53 From Shawntaye Hopkins : Actually, it's funny. I've probably seen every rom-com movie but I've read few books in that category.

19:38:54 From Lynda : thank you-just like to know ahead

19:39:38 From Roxanne : Listening to Flatshare. Difficult to understand

19:40:02 From Kari Sweeney : And then your teenage daughters steal those hoodies from you

19:40:15 From sarah williams : Oh, Teresa Palmer from Discovery of Witches!

19:40:19 From debracbenton : Funny, I steal my son's

19:40:26 From debracbenton : Who was the guy?

19:40:32 From Diana Bolstad : googling these actors

19:40:51 From Chelle : as a mom, I can say, I had to tell my boys to get those expensive hoodies back once in a while...there's a reasonable limit.

19:41:00 From Diana Bolstad : <https://images.app.goo.gl/2U8JVh2UydaAxC9Q7>

19:41:05 From Kari Sweeney : Roxanne- maybe try The Flatshare in print?

19:41:30 From Roxanne : Think I will Kari cause I have heard it's so good.

19:41:52 From Jennifer Odom : I loved Flatshare but I read the print book. I just finished The Switch recently too.

19:42:10 From Carolyn Marsh : Sometimes dogs can do what friends cannot

19:42:29 From Janelle Carlson : So true Carolyn

19:42:58 From Diana Bolstad : Tessa Bailey?

19:43:02 From Leigh -MMD Team : I would agree with that steam scale!

19:43:03 From Kari Sweeney : Tessa Dare

19:43:06 From Roxanne : Your "steam" was well done!

19:43:12 From mwilson : Or as Kari says-eggplant rating 🍆🍆

19:43:19 From Leigh -MMD Team : Abby said Tessa Bailey, who is VERY high heat.

19:43:38 From Gina To All Panelists : what a great way to describe the steam level.

19:43:38 From Lacy Reynolds : Anyone else digging the bar glassware in

the background!!?@?!

19:43:49 From Jennifer Odom : I read Tessa Bailey's Fix Her Up and Love Her or Lose Her. It's pretty steamy for romance (not erotic romance)

19:44:25 From Kari Sweeney : Lacy- makes me want a martini :)

19:44:45 From Lacy Reynolds : For sure, dry June is not going so great ... lol

19:44:53 From Janelle Carlson : Lacy - I just realized that those are dark martini glasses hanging on the left!! ;)

19:45:02 From Mrs. Karen : @Lacy and @Kari - makes me want to make cocktail! :)

19:45:04 From Chelle : dry June?

19:45:12 From Carolyn Marsh : We just had all the rain and thunderstorms this morning here in Iowa!!!

19:45:33 From Lacy Reynolds : I'm trying to lose the weight from 3 months of whiskey on tap! Lol

19:45:33 From Carolyn Marsh : We just booked a cabin in Ely for Sept!!!!

19:45:58 From Kari Sweeney : Chelle- I think Lacy means dry as in no alcohol.

19:46:00 From Carolyn Marsh : We love the north shore of MN but hubby wanted a cabin on a lake

19:46:11 From Denise : I took a class in college and we backpacked to the Boundary Waters!

19:46:17 From Ginger : Authors: the original influencers

19:46:17 From Debra LaTerza : Awesome! (Ely Outfitters)

19:46:22 From Lacy Reynolds : Yes- no alcohol! lol

19:46:22 From jaynemcculley : Where are you in Iowa Carolyn? I'm in SE Iowa - lots of rain and wind here last two days

19:46:33 From Janelle Carlson : That's so cool to reference real life small businesses in her books!!!

19:46:34 From Carolyn Marsh : I'm in Altoona by Des Moines

19:47:03 From Carolyn Marsh : Where are you @jaynemcculley? I grew up in Muscatine

19:47:05 From Nicole : Yes! Especially when they are small businesses that can benefit. Love it!

19:47:08 From Chelle : I caught that, I didn't know if this was something more global I missed. I don't do social media so miss a lot of things. So, personal choice.

19:47:20 From Ginger : You can order them!! <https://www.nadiacakes.com>

19:47:41 From jaynemcculley : Carolyn I'm in Mediapolis now; moved from Muscatine in December - lived there 11 years

19:48:17 From Jennifer Odom : I read Northland by Porter Fox earlier this year and there's a section on the Boundary Waters, which helped me see that area

19:48:18 From Carolyn Marsh : What a small world Jayne! I grew up near Wildcat Den State Park in the country - graduated Muscatine High School (quite a while ago...LOL...)

19:48:32 From debracbenton : I guess I missed Nadia Cakes in the books

since i listened. That is where print would stick in my head more  
19:48:52 From Lacy Reynolds : I LOVE 1776!!!  
19:48:53 From Shawntaye Hopkins : I've heard that 1776 is a great book.  
19:49:04 From Leigh -MMD Team : The Boyfriend Project is so great!

19:49:17 From Carolyn Marsh : I loved the Boyfriend Project!!!  
19:49:18 From Chelle : Wait, I missed the book. Can you repeat  
19:49:21 From Jennifer Odom : I'm not sure I would have caught the Nadia Cakes shoutout if I didn't already know that was her company  
19:49:31 From Renee : I was at the launch party yesterday so fun!  
19:49:35 From Leigh -MMD Team : The Boyfriend Project by Farrah Rochon

19:52:14 From Lauren : SUCH a treat :)  
19:52:18 From Jennifer Odom : I liked The Boyfriend Project - I thought the characters are very strong. I don't love it when someone's lying, but there was a good reason for it. It's the beginning of a series so I'm looking forward to more about the two other ladies.

19:54:35 From Shawntaye Hopkins : That's good to hear, Kari! Yay!

19:54:51 From Carolyn Marsh : Well if Kari liked it...I probably will!!! We have similar tastes!

19:55:13 From Kari Sweeney : Unmarriageable is a different author. But- I think they are different. I don't know a ton about Austen's Persuasion and I still really enjoyed it

19:55:34 From Anne Bogel : <https://www.scarymommy.com/nadia-cakes-geode-rock-cake/>

19:55:40 From Renee : That sounds like so much fun!

19:55:43 From Laura Miller : I liked Ayesha At Last better than Unmarriageable! But both were good.

19:55:47 From Jennifer Erickson : Can you link to the Jane Austen virtual festival?

19:55:49 From Shawntaye Hopkins : I'm excited too, Bethany!

19:55:50 From Shannan To All Panelists : Yes, Kari is my romance book guru. If she recommends, I will probably like it. I tend to like romance with "heft". That's how Kari described it and it couldn't be more appropriate.

19:55:54 From Lauren : Oh gosh YES she is so funny on twitter

19:56:08 From Shawntaye Hopkins : <https://www.facebook.com/janeaustenfestivalky/>

19:56:11 From Jennifer Odom : Pride, Prejudice, and Other Flavors (the first) was good, very loosely P&P based. It had some issues I wanted resolved, but hoping they'll be addressed in the future books. Definitely makes you hungry!

19:56:15 From Linda Sullivan To All Panelists : I preferred Ayesha at Last, too.

19:56:20 From Denise Meagles : Pride is a young adult spin off and is narrated by Elizabeth Acevedo.

19:56:23 From Karen Greene To All Panelists : I didn't connect the cake to this author until tonight. That cake situation was HILARIOUS

19:56:46 From Janelle Carlson : Especially since you only have 3 books with you Ginger!

19:57:05 From Kitty Balay To All Panelists : I listed it as rom-com on my reading log
